

txwəłšucid syəcəb

This is an example of a learning tool for computers. When this page is viewed on a computer, each sentence can be selected and heard. This is another method for individual learning. Our goal is to make our language accessible in many formats. If you have a computer we can add you to our mailing list to receive learning materials like this. This page teaches about names by asking and responding to gwat kw(i) adsda? *What is your name?* We utilized animals to make it enjoyable. Please contact us for more information.
