

BENEDICT C. WILLIAMS SR.

My name is Ben Williams Sr. and I am running for a seat on our Council. I put it quite simply that I will make every effort to put the business of our Tribe with every consideration from our people. I firmly believe that we have not realized our potential in the business world, i.e., Port Development, Casino, etc. I would like to be a part of the decision making process that leads us into the future.

Thank you for hearing me out, and hopefully your vote.
