

LAWRENCE WRIGHT

My name is Lawrence Wright and I am happy to announce I am running for one of the vacant seats for Puyallup Tribal Council.

I am the third of five children born to Frank and Jane Wright. Like many of our Fathers, I am proud to say my Father was a strong member of our Tribe and took great pride in the development and establishment of our current Tribal values. I raised two children of my own, Travis Wright 28, and Alicia Wright Fobes 26. During the 54 years of my life I have lived and worked within the Puyallup Reservation, working 19 years for the Puyallup Tribe in several positions. Currently I am the Director of Facilities at the Emerald Queen Casino. I have been fortunate to be directly involved in the development of our gaming industry and the promotion of Tribal youth in our growing operations. Presently, we employ 275 facilities personnel, quite a contrast to the 40 or 45 workers we employed in 1996.

I offer to serve with an aggressive work ethic, common sense and 19 years of experience. These are important qualifications necessary to perform as a strong member of our Puyallup Tribal Council. I look forward to your support and pledge my hard work and attention to our many important issues.

Thanks again for your encouragement and support.

Sincerely,

Lawrence Wright
